

Perrin & Fils, Vinsobres (Rhône Valley, France) "Les Cornuds" 2007 (\$22, Vineyard Brands): This fresh and vivacious wine hails from France's southern Rhône region. It has a deep ruby color, a reasonably full body and a profusion of dark red fruit flavors, but it is never overwhelmingly heavy or intense. Supple and juicy, its notes of earthiness and peppery spice add further interest. **90** [Marguerite Thomas](#) *Feb 16, 2010*
