90 POINTS

2007 MONTEREY PINOT NOIR

"A lovely Pinot, polished and supple. Ready to drink now for its crisp acidity, lush coats of smoky oak and, above all, exotically complex flavors of cherry pie filling, black raspberry tart, cola, red plum and mocha. Should evolve through 2012."

Since 1979, our family-owned winery has pioneered cool climate winemaking in Sonoma County's Russian River Valley. La Crema is made with grapes grown in vineyards where Northern California's cool coastal fog allows long hang time on the vine and slow ripening of our grapes. This terroir produces small berries with intense flavors that deliver wines of elegance and balance.
