YEAR'S BEST SAUVIGNON BLANC

93 POINTS

2007
SAUVIGNON BLANC
SONOMA COUNTY

"This hits the pure passionfruit flavor of finely ripened sauvignon. It's mouthwatering and firmly structured, with umami flavors of oyster mushrooms and marrow to balance the fruit. A portion of the blend is sauvignon musqué (13 percent) and a portion is fermented and aged in French oak barrels (21). The result is delicious with roast fish."
