2006 ARROYO SECO PINOT NOIR

92 POINTS

“Sporting a fine mix of ripe cherries and sweet oak spice first in the nose and then again on the palate, this carefully composed Pinot Noir eschews high extract and bombast and instead keys successfully on balance and keen varietal definition. Its bright, mildly toasty, moderately rich flavors invite drinking in the near term, yet it shows no signs of fading away anytime soon, and should keep well for several years. GOOD VALUE.”
