

## ALMA NEGRA Brut Nature "just delicious"

"The sparkling rosé, the non-vintage Alma Negra Brut Nature is made from both Malbec and Pinot Noir. I was surprised how good this wine is. The effervescence is a product of the methode champenoise, and the wine, from a relatively cool climate, displays crisp, elegant acids intermixed with strawberry, cranberry and fruit cocktail-like notes. It is medium-bodied and **just delicious**. It is a **heck of a good value** in sparkling wine. It can be drunk between now and 2016." From Ernesto Catena Vineyards.
